Gift of Grain

Community Harvest

Improve Your Community

Your Gift of Grain at a North Bend elevator or your local grain elevator goes toward improvements in the North Bend area community.

From the library, the arboretum, the Morse Bluff community park, to speakers for students in North Bend schools, the North Bend Area Community Foundation has been helping people serve their community since 2000.

The North Bend Area Community Foundation has supported the North Bend-Morse Bluff Veteran's Memorial Park, North Bend Central Foundation, North Bend Senior Center, Franklin-Cotterell Arboretum, North Bend Library and youth ball programs. Each project works toward making a positive impact on the North Bend and Morse Bluff communities. The North Bend Area Community Foundation provides a unique opportunity to make a contribution that may be tax deductible under the IRS tax code.

The North Bend Area Community foundation is an affiliate of the Fremont Area Community Foundation (FACF). The FACF provides administrative expertise. Your donation will go directly to benefiting the North Bend and Morse Bluff communities.

Reinvest in Your Community

In 2000, the North Bend Area Community Foundation was established to improve the quality of life by connecting donor interests with community needs. The Foundation serves as a vehicle for people who wish to return a portion of the rewards of a successful life to the community where they have lived, worked or have other ties. Your gift of grain makes a positive impact on the North Bend/Morse Bluff Community.

The North Bend Area Community Foundation has reinvested thousands of dollars in community infrastructure, education, economic development and more. The Foundation partners with community leaders in North Bend and Morse Bluff sharing their vision and connecting donors, near and far, with their hometown community.

By donating your Gift of Grain, you help pass along the good life in the North Bend area to future generations. To make a donation notify the elevator manager when you deliver your grain.

How to Donate

A storage receipt will be made in the name of North Bend Area Community Foundation as evidence that ownership has been transferred from the producer to the foundation. The contract to sell the grain will be sent to North Bend Area Community Foundation for signature and, as policy of the North Bend Community Foundation, the donations will be sold when gifted. The producer may not instruct the elevator to issue the check for the sale of grain.

The resulting monetary gift will be directed to the

North Bend Area
Community Foundation
c/o Platte Valley Bank
P.O. Box 500
North Bend, NE 68649

It's important that these steps be followed in order to receive the intended tax benefits from a Gift of Grain. Failure to follow these steps may result in the IRS treating the transaction as a sale by the producer, resulting in a contribution of cash. Please consult your personal tax advisor to determine whether a contribution of this type is appropriate for you.
