FREMONT AREA COMMUNITY FOUNDATION

"We like the flexibility of the Foundation when doing estate planning. We are able to make changes or add to our list of charities easily and without making a change to our will. We would recommend sharing your goals with the Foundation director to determine how to achieve them through the Foundation."

~Keith and Linda Chapman

Provide for the future
of *your* community

The Legacy Society is composed of individuals who have provided for the Fremont Area Community Foundation in their estates. These are special people who are dedicated to a better future for their community for years to come.

There are many different ways to become a member of the Legacy Society. Simply inform the Foundation of the type of gift you have chosen to leave. This may include cash, securities, life insurance, an IRA, memorials or other bequests. Gifts may offer tax advantages. We advise consultation with your financial advisor or attorney.

To become a member of the Legacy Society, please contact Melissa Diers, Executive Director at 402-816-4206, mdiers@facfoundation.org, or in person at 1005 East 23rd Street, Suite 2, in Fremont, Nebraska.

"We became members of the Foundation's Legacy Society in gratitude for all the opportunity we've had here to raise a family and grow a business. It's important to us that the Fremont area continue providing even more opportunity for families here in the years to come. When our alma mater, Dana College, recently closed its doors after 125 years, we were reminded that you can't take prosperity in the future for granted. Leaving a portion of Nate and Kristina's inheritance to the Foundation is an easy, but meaningful way for us as parents to demonstrate important values such as gratitude and sharing. We don't know all the challenges our community will face in the future, but we're confident that the Foundation will continue to draw on the wisdom and generosity of its citizens to figure out tomorrow's solutions."

~Paul and Liz Johnson

"We have both had the privilege of serving on the Board of Directors of the Foundation, which made us aware of the tremendous benefit the Foundation offers to the Fremont area. Joining the Legacy Society is an opportunity to make a lasting contribution to the continuing positive influence of the Foundation."
